

covid-19 and studiosmilos-skopelos

Policy , prevention and treatment from
studiosmilos-skopelos for covid-19 virus

We are expecting you for your dreamy
and safe holidays in Skopelos Island at
[studiosmilos-skopelos](https://studiosmilos-skopelos.com)

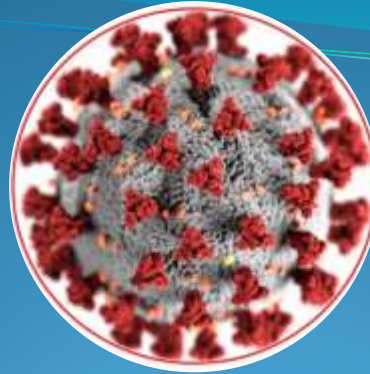

- We have taken a number of hygiene rules and precautions at [studiosmilos-skopelos](https://studiosmilos-skopelos.com) accommodations for your pleasant and safe stay in them .

Cleanliness

- We make thorough cleaning at the common areas and our studios and disinfect the appropriate points with the ways and means indicated by the World Health Organization.

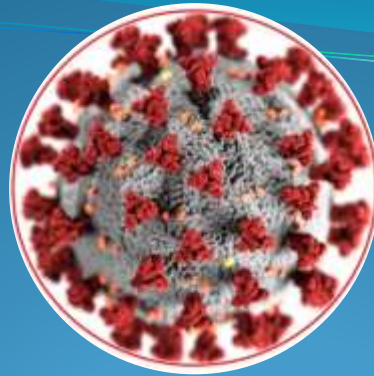

Preventive Protection

- We welcome you and say goodbye to you by the ways and means indicated by the International Health Organization , taking your temperature and implementing the appropriate disinfectant international policy .

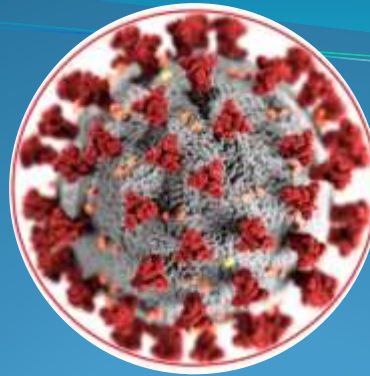

Natural Air Refreshing

- Our studios are built that way so each and everyone of them has a continuous, fresh and recycled natural air at any time of the day you want because of their location.
- (Old windmill location)

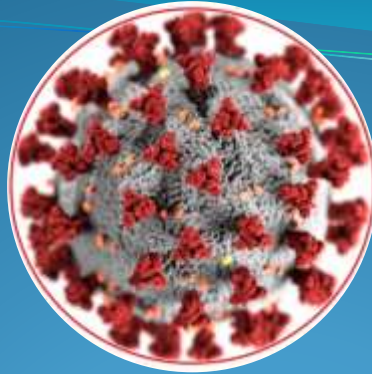

Entrances and Distances

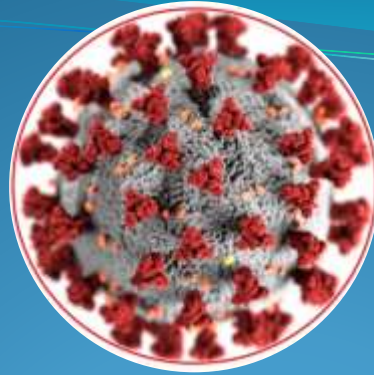

- Our studios are built that way so each and everyone of them has its private and independent entrance from the other and their spaces are large enough to maintain safety distances between their visitors.

Information and rules observance

- In our studios there are cleaning and disinfection forms that are completed by the person in charge and informative publications regarding the hygienic protection of the visitors regarding the **COVID-19** virus .

Nice vacations in Skopelos Island and pleasant stay at [studiosmilos-skopelos](https://studiosmilos-skopelos.com)

- A pleasant and safe vacation is the result of us all . Please follow the health care advices regarding **covid-19** virus provided to you in our publications and on our website by the World and Greek Health Organization .
